

## *XVII Bhopal Seminar 2019*

# Population and Sustainable Development in India

Bhopal, Madhya Pradesh, India

23-25 January 2019

MLC Foundation and 'Shyam' Institute will be organising the XVII Bhopal Seminar 2019: Population and Sustainable Development in India from 23-25 January 2019 at Bhopal. Presentations, discussions and deliberations at the XVII Bhopal Seminar 2019 will be organised around the following sub-themes:

1. Population dynamics and sustainable development
2. Inter-relationship between the change in population stock and economic growth
3. Population health dimension of sustainable development
4. Gender dimensions of population dynamics and sustainable development
5. Migration, urbanisation and sustainable development of cities and other urban areas
6. Population aspects of social inclusion dimension of sustainable development
7. Population and environmental sustainability
8. Population-based data systems for monitoring sustainable development goals

XVII Bhopal Seminar 2019 is directed towards a discussion on the relevance of population dynamics in the realisation of Sustainable Sustainable Development Goals of the United Nations as well as national development goals. XVII Bhopal Seminar 2019 aims at analytical review of the prevailing population dynamics and in the context of sustainable development. Discussions at the XVII Bhopal Seminar 2019 are expected to contribute to the understanding of population issues and concerns that have implications for sustainable development in the Indian context.

### Participation

Original research papers are invited for presentation at the XVII Bhopal Seminar 2019 on any of the sub-themes outlined above or on any other contemporary issue related to population dimensions of sustainable development, especially, in the context of economic growth, social inclusion and environmental sustainability.
